What are people saying about Albany Public Library?

"Passing this budget is about protecting the quality of life in our community. It's about maintaining a valuable resource for everybody—young, old, and everyone in between."

—Paul Stewart
Community Activist

"The Delaware Avenue branch is a tremendous part of revitalizing our neighborhood. The connection among the Library, community and the local businesses has transformed Delaware Ave. Voting yes on the Library's budget just makes sense."

—Louise McNeilly
Delaware Avenue Neighborhood Resident

"The revitalized Pine Hills branch of the Albany Public Library has been a tremendous addition to our neighborhood. Now it's time for us to make sure the Library has the funding it needs. Join me in voting yes for the Library's budget."

—Carolyn Peterson-Vaccaro and Grandson, Yabisi Asili
*Past President, Albany Fund for Education**

"Supporting the Albany Public Library is about more than good community building. It is about what Judaism calls *Tikkun Olam*, repairing the world one citizen, one neighborhood, one educated person at a time."

—Rabbi Dan Ornstein
*Congregation Ohav Shalom**

"Albany public libraries play a critical role in the educational, social and economic well being of our communities. I support the library budget because Albany residents deserve to have continued access to the myriad resources and opportunities that only our libraries can provide."

—Hon. Barbara Smith
Arbor Hill Resident, Member, Albany Common Council, Fourth Ward

"The Albany Public Library has become the backbone of our community. The Main Library and all of the branches provide community meeting space, opportunities to expand our horizons and to build our neighborhoods through civic engagement with people from all walks of life. The Library is an asset to Albany. Please join me and vote yes on May 17th."

—Colleen Ryan
Center Square Resident

"My family and I are thrilled—and lucky—to have the Bach branch right down the street from our house. For the last 16 years, the Albany Public Library has been a family focus for story times, summer reading, attending programs, and checking out countless books and DVDs. Frankly, we would be lost without APL. It is a focal point of our lives and community—it has become the community center for the New Scotland Ave. neighborhood."

—Holly McKenna
New Scotland Area Resident
