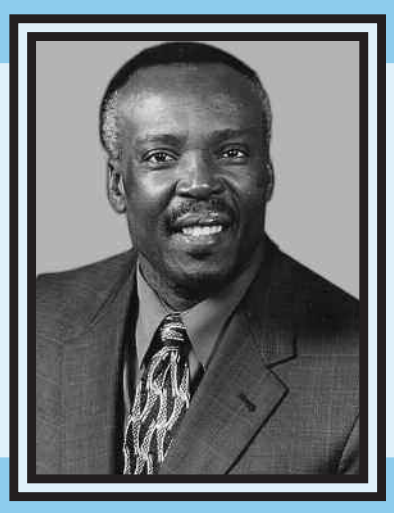
Vote YES on the FINKELSTEIN MEMORIAL LIBRARY'S Budget!

Wednesday, April 22ND • 7AM – 9PM



My work has focused on a positive future for our youth. Please vote YES for the library budget. This will help to ensure the educational opportunities that our children need and deserve."

HON. DEMEZA DELHOMME
Spring Valley Village Trustee

Finkelstein is an essential partner in the educational process for many Rockland Community College students. We work together to provide access to information, research and resources. The Finkelstein Memorial Library is also an important resource for lifelong learners of all ages. Voting yes on the library's budget is a great investment in our community's education."

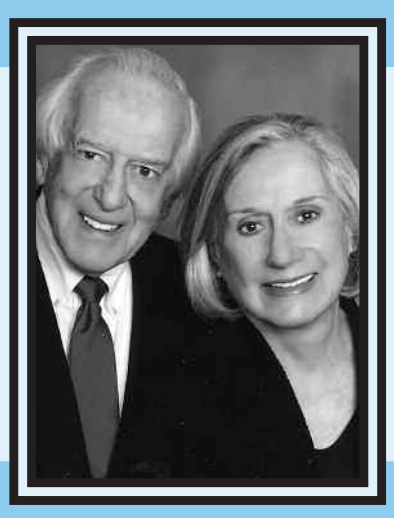
DR CLIFF WOOD
President, SUNY Rockland Community College

As a passionate Friend and supporter of the Library, I recognize that an excellent library is vital to the community. I am proud of what the staff and Board have done to make the Finkelstein Library a community center which serves a diverse population through education, technology, recreation and entertainment—all the more valuable in these tough economic times."

RENA FINKELSTEIN
President, Friends of the Finkelstein Memorial Library

The Finkelstein Library is an essential service in our community. Our children learn how to read here. Our families thrive here. And, our adults enjoy life-long learning here. Voting yes for the Library's budget is voting YES for our uniquely diverse community."

HON. BETTIE J. BROWN
Co-chair of United Haitian/American Caucus and former Spring Valley Village Trustee



The Finkelstein Memorial Library is essential to our quality of life. There's no better place to reach your potential than the library. Finkelstein has been here for us for quite a while— now it's time for us to be here for the library and our community. Join us and vote YES on the budget."

DR. SONYA AND MILTON SHAPIRO

Voting yes for the Finkelstein Library's budget is an investment in our community. It will restore services lost when we failed to vote last time it was presented for approval. Join me – vote – vote YES!"
