They all think it's a GREAT IDEA!

A community is defined by what it considers essential. We hope that the community of Saugerties regards as fundamental the urgent need to support our library expansion.

~ Claudia & Paul Andreassen

New ideas, new designs . . . the new Saugerties Public Library will give us all that and more. Creativity is born out of a community that cherishes learning, preserves history and values innovation. I'm voting yes on May 7th.

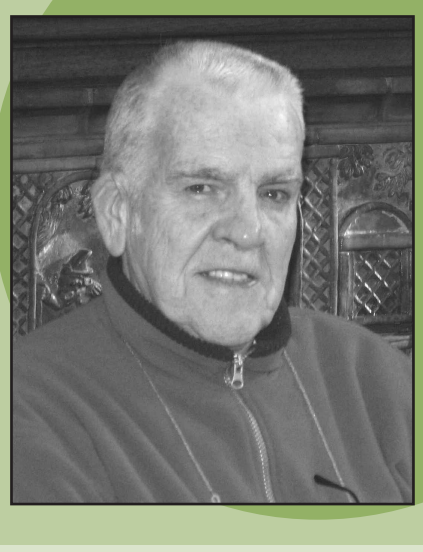
~ Angie Gaffney-Smith

We all work hard to support our families. Voting yes for a better library building will help us make a better life for our kids and our community.

~ Paul & Bonnie VanBenschoten

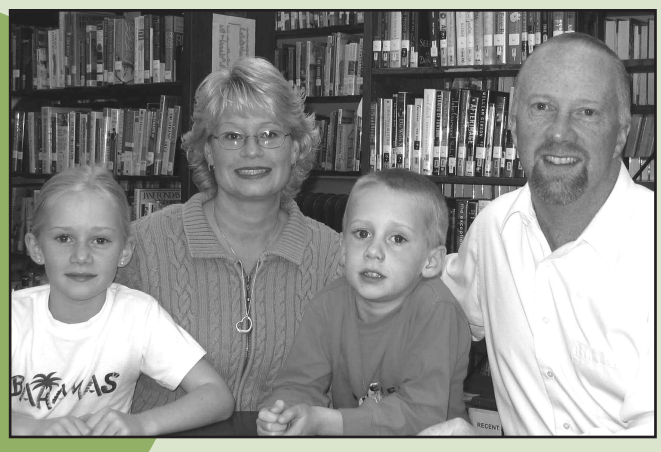
It's time to stop talking and get this done. We should all vote yes on May 7th.

~Patrick Buonfiglio



Voting yes on the library referendum is the right thing to do. We all know we need a better library. Now let's do what's right for Saugerties and for our kids and grandkids—vote yes.

~ Joe Gavner



When we come to the library, we discover new things, connect to a bigger world and grow. Our kids love it here and we know the new building will make a great library even better opening new doors that everyone in Saugerties can walk through and benefit from. Thanks for all you do.

~The Baldwin Family

We're proud to run our local pharmacy. We've invested in our community and we're happy to invest in the library. The library renovation will make Saugerties an even better place to live and work. Join us and vote yes.
